BUSINESS ADVISORY SERVICES**

ABOUT INFINITEE

The INFINITEE Group is an ISO 9001 certified group of companies.

INFINITEE USA is based out of New Jersey & INFINITEE INDIA is based out of Mumbai. We Design, Deploy & Institutionalize Business Advisory & Management Services in three categories: *Global Certifications and Accreditations, Global Elevation of Interventions, and Business Process Excellence for Global Companies*

Global Certifications and Accreditations

ISO CERTIFICATIONS

ORGANIC / USDA

RSPO

HALAL & KOSHER

COSMOS (ECOCERT)

VEGAN

GMP & HACCP

EWG

REACH REGISTRATION

ECOVADIS: *SILVER,
GOLD & PLATINUM*

We work as partners to ensure seamless navigation and compliance for ISO certification through the Integrated Management System. We support in creation of Manuals, write SOPs, train internal auditors, and handhold you till the Certification is awarded. Take advantage of our know-how to get your company certified at ISO 9001 (QMS), ISO 14001(EMS), ISO 45001 (OHSMS), ISO 22001(FSMS), & ISO 27001 (ISMS) levels

We can also work with your company to get RSPO (ROUND TABLE ON SUSTAINABLE PALM OIL) certification. Also intimately acquainted with the process of acquiring ORGANIC, VEGAN, HALAL, KOSHER, and COSMOS (Ecocert) certifications, we can implement this and elevate your processes and lead to these accreditations

We can get you certified for incorporating GMP (GOOD MANUFACTURING PRACTICES) & HACCP (HAZARD ANALYSIS & CRITICAL CONTROL POINTS) frameworks to ensure the safety & quality of products in food and pharmaceutical industry. The certification will build your brand value and bring in industry recognition. We can get your company accredited for EWG (ENVIRONMENTAL WORKING GROUP) certification which implies you can tell customers that your products were evaluated & verified from beginning to end. Watch your business grow exponentially similarly when you take our help for REACH, a European registration that certifies the products you sell or manufacture comply within the tonnage band to sell the product in Europe. Going in for COSMOS / ORGANIC / USDA Organic Certification or company-wide ECOVADIS Certifications, a sustainability multilevel certification with our help will distinguish your company from others

Our expertise in Cost of Quality framework design and implementation ensures operational efficiency and minimizes financial losses. Cost of Quality is a sum of the cost of conformance, nonconformance, and lost opportunities.

*Leverage our expertise in this area to ensure that **COST OF POOR QUALITY (COPQ)** does not eat into your profits and lead to internal & external failures*

*Institute a Safety Culture that leads to Operational Excellence & Employee satisfaction by implementing a **ZERO-INCIDENT SAFETY PROGRAM** by tapping into our expertise*

***CONTINUOUS IMPROVEMENT** emphasizes the ongoing effort to enhance processes, products, and services. We have led Continuous improvement initiatives where members of an organization contribute ideas and make small, incremental changes that collectively lead to significant improvements. We implement several tools and methodologies Our competency in continual improvement projects encompasses expertise in globally recognized initiatives*

***KAIZEN:** Utilize our guidance to take you through a pure improvement process that focuses on people, customers, & data allowing a company to eliminate MUDA & go to GEMBA*

***5 S:** A cyclical methodology where we assist you to Sort, Set in order, Shine, Standardize, and Sustain the cycle in your manufacturing plants*

***SIX SIGMA:** Avail of our expertise in the DMAIC of Six Sigma, namely defining, measuring, analyzing, improving, and controlling*

***LEAN MANUFACTURING:** We can help you implement this model that will minimize waste & maximize productivity in projects and plants*
